"God wishes to test you like gold in the furnace. The dross is consumed by the fire, but the pure gold remains and its value increases. It is in this manner than God acts with his good servant, who puts his hope in him and remains unshaken in times of distress. God raises him up and, in return for the things he has left out of love for God, he repays him a hundredfold in this life and with eternal life hereafter."

**The Secular Oratory**

While hundreds attend our Masses throughout the year on Sundays and Solemnities there are those of the laity who choose to enter into the life of the Oratory in a deeper way; this body of the lay faithful comprise the Secular Oratory. Alongside every Congregation of the Oratory is founded a Secular Oratory. We invite you to prayerfully consider joining the Secular Oratory, which action does not commit you to any particular activities or duties but is, rather, an indication that you would like to be notified about upcoming events, both spiritual and social, including those that are open exclusively to Secular Oratorians.
