### Reservations for Mass

Reservations are required for attendance at Mass, and may be made on our website or over the phone.

While all individuals continue to be limited to two advanced reservations a week (advanced = made more than 24 hours in advance), there will be no limitations placed on the number of standby reservations an individual may make (standby = made after 12:00pm the previous day). Each day, at 12:00noon, any spots still available for Masses the next day may be taken by anyone, regardless of the number of Masses they have already attended that week, or of the number of advanced reservations they have made.
